

Impossible pumpkin pie

2 eggs

3/4 cup sugar

2 tablespoons margarine or butter

1 can (13 ounces) evaporated milk

1/4 teaspoon ground cloves

1/2 teaspoon ground ginger

1 teaspoon cinnamon

1/4 teaspoon nutmeg

1/2 teaspoon salt

1 1/2 cups cooked pumpkin

1/2 cup Bisquick baking mix

2 teaspoons vanilla

Measure all ingredients into a blender and blend well at medium speed. Or, mix 4 minutes with electric mixer using high speed.

Pour into a greased 9-inch or 10-inch pie plate. Bake in 350°F oven for 1 hour or until it tests done.

Serve with whipped cream or ice cream.

Note: 1 teaspoon pumpkin pie spice may be used instead of the spices listed above.

Serves 6 to 8.
